LS 6874

BILL NUMBER: SB 282

NOTE PREPARED: Feb 2, 2010

BILL AMENDED: Feb 1, 2010

SUBJECT: Stormwater Management.

FIRST AUTHOR: Sen. Charbonneau

FIRST SPONSOR: Rep. Bischoff

BILL STATUS: As Passed Senate

FUNDS AFFECTED: **GENERAL**
 DEDICATED
 FEDERAL

IMPACT: Local

Summary of Legislation: (Amended) The bill grants authority to the drainage board to receive complaints concerning, investigate, and order the removal of certain stormwater-related nuisances caused by artificial conveyances directed at or near the property line. The bill provides that, regarding removal of stormwater nuisances and right of entry, the county drainage board and the county surveyor have similar authority as with respect to obstruction of mutual drains and natural surface watercourses. The bill prohibits construction of the law as authorizing a person to engage in activity requiring a permit from a state or federal agency before the person obtains the permit.

Effective Date: July 1, 2010.

Explanation of State Expenditures:

Explanation of State Revenues:

Explanation of Local Expenditures: (Revised) The bill could result in additional petitions regarding stormwater nuisances through an artificial conveyance. County drainage board administrative time would increase if more petitions are considered. County surveyors that currently do not receive stormwater nuisance complaints initially may require additional administrative time to do so.

Explanation of Local Revenues:

State Agencies Affected:

Local Agencies Affected: County drainage board, county surveyor.
